

Alessia Pagliaroli

Senior Recruiter

Sales, Marketing, and Senior Management Recruitment In:

CONSUMER PACKAGED GOODS B2B COMMERCIAL RETAIL FOOD & BEVERAGE

Alessia Pagliaroli, Senior Recruiter at Goldbeck Recruiting specializes in the recruitment of Sales and Marketing positions in the Consumer Packaged Goods, B2B Commercial, Retail, and Food & Beverage industries.

She graduated with a Masters Degree in Communication at Siena University in Italy. She then began a successful career in recruitment with Randstad in Frosinone, Italy where she was responsible for all steps associated with the identification, placement and performance of contract employees.

Alessia moved to Canada and joined Goldbeck Recruiting in 2014 as a Talent Sourcing Specialist where she learned the North American methods of recruitment. She is the newest Sales Recruiter to join the company and has already filled several hard to fill positions. With over 8 years total experience in the recruitment industry, we are fortunate to have Alessia on our sales recruitment team.

"Alessia took the time to listen to my company's requirements and gain an accurate picture of the individual we needed. I felt she was able to take that information and source out qualified candidates in a timely manner. Despite the fact we were both working from different cities, and recruiting in another, I never felt like that hindered her performance. After only a few weeks, we were able to find a very suitable employee who has already shown great contribution to our company."

Ashley Andrasko. Human Resources Manager
